FOR IMMEDIATE RELEASE

Dominion Lending Centres Selects Filogix Expert for its Growing Network of Franchises across Canada

Toronto, ON - May 5, 2008 - Filogix Limited Partnership, Canada's leading technology provider to the mortgage and real estate industries, announced today that Dominion Lending Centres has selected Filogix Expert as its exclusive mortgage origination point of sale system.

"Dominion Lending Centres has been aggressively expanding over the past two years as we strive to achieve our goal to become the largest volume producing mortgage brokerage firm in Canada," said Gary Mauris, President, Dominion Lending Centres. "During this time, Filogix has provided us with tremendous support, training and customer service and has served as an integral partner in our success. This, along with their unmatched connectivity to Lenders and industry suppliers, convinced us that Filogix Expert is the best point of sale system in the industry that meets the needs of our growing network of franchises across Canada."

Filogix Expert is a web-based mortgage point of sale system that provides mortgage professionals with the ability to conduct electronic mortgage transactions between trading partners connected to the Filogix network. The Filogix network connects to 77 lender options as well as the industry's largest selection of brokers, agents, creditor insurance companies, credit bureaus, and other mortgage professionals and is continually adding new industry members. Expert also facilitates electronic mortgage applications seamlessly with Filogix lender-based mortgage processing product, Filogix Express[®]. The integration between these two products creates a fast and fluid processing system between the lender and broker-origination channels resulting in a more efficient and productive mortgage processing system.

"We are proud to have had the opportunity to work so closely with Dominion Lending Centres since it was founded two years ago to its Canada-wide network of more than 60 franchises today," said Ed Karthaus, Executive Vice President, Broker Services, Filogix. "Dominion Lending Centres has a strong reputation for providing industry leading marketing support, templates and tools for its network of brokers. We are thrilled that they have selected Filogix Expert as their point of sale system for their growing network of brokers, and we look

forward to working with them even closer as they continue to grow their business.”

About Filogix Limited Partnership

Filogix Limited Partnership is Canada’s leading technology provider to the mortgage and real estate industries. Filogix products and services are used in all channels of distribution including financial institutions, private lenders, mortgage brokers and real estate professionals in Canada to facilitate, organize, process and streamline mortgage transactions. The Filogix Marketplace connects more than 12,500 Realtors®, 9,500 mortgage originators, 77 lender options including all major banks, credit bureaus and mortgage insurers, as well as creditor insurance companies, document management servicing and other industry suppliers attracting consumer mortgage applicants so they may interact and conduct business transactions. Filogix products make mortgage and real estate transactions a more cost-effective, organized and productive process for lenders, mortgage and real estate professionals and consumers.
